"Bedfast - For Two Years"

Mns. Gronge Ewell, writes:—I know your medicine belied me wonderfully. I was so weak and nervous I could not elsep. Had a very noor appetite. Had such an aching between my shoulders and such dreadful headaches. My tongue would be heavily coated every morning and would get so dry. I am at years old. Have been having "change of life." I doctored a great deal but your medicines beined me more than all the doctors. I took six bottles of "Parorite Prescription" and three of "Golden Medical Discovery." I can now sleep good at night. My tongue is not coated and your medicines have removed many of my symptoms. I know if I had taken etg bottles more I would have been cured. I was shout bedfast for two years, now I do all my work and attend to my garden and chickens. I cannot praise Dr. Fierce's medicines too highly.

Walton, in center, robbed Glaze's men of a drive that would have gone for a two-bagger. He ran back and pulled down the liner by jumping in the air. McFarland played a great game at second base and Parks covered first in grand fashion. The Christians made three errors, allowing Baylor players to get on base each time, and then the team tightened up and prevented a score.
